From the Chef Bunny & Crafty Fox:

Greetings from beautiful Rabbit Valley, Las Vegas, Nevada!

Another year, another mailing address. The day job moved for a Bunny, and we packed up the entire store and moved out west. Talk about a lot of lugging! The Fox, being an expert in the art of Tetris, managed to put our entire store plus our entire house into the back of a single 24-foot U-Haul truck. That's about the time when we realized that we were about 20,000 lbs over weight on the capacity of our truck and had to split up the load. Whuff... We are talking about 12,000 lbs of books alone. That's a lot of furry stuff. One 24-foot U-Haul, one 12x9 trailer, one 17-foot U-Haul, one car carrier, and two cars en route to Las Vegas, NV.

After driving through what could be described as some of the most beautiful scenery in the world, down some of the scariest mountain passes I've ever driven in a truck with a transmission that does not understand the concept of "low gear," and through some stunningly beautiful canyons, we're here at our new location in beautiful Sin City itself. Many special thanks to our friend, Driver X, for being the wheel man for the third vehicle.

I'd also like to thank all of you customers out there who helped us with the Buy It By the Pound and Box promotions. You not only have helped us move and pay for the outrageously priced gas (especially when your truck gets six miles to the gallon for 2,700 miles) but also made sure we weren't lugging 15,000 lbs of books and stuff across the country. Hopefully there's a lot of happy furries out there enjoying a whole pile of new books, shirts, toys, and other fun stuff. The promotion is still running right now to help pay off the rest of the American Express Bill of Doom for gas, food, and hotels. We never have asked for a donation here at Rabbit Valley because you should get something for your hard earned cash. The best we can do is give you some of the best furry stuff out there.

So far, Las Vegas has been absolutely wonderful. It is damned beautiful out here. I think I'll call up Chris McKinley and ask if he wants to start a real Coyote River Ranch.... Any excuse to import all the Furries out there to Las Vegas for a real sinful time is a good excuse.

Speaking of sin, can you believe we're over twenty issues of Spooo Presents? Talk about a success! I never thought we would be doing so many issues of the series so quickly. Werepuppy and Trejaan knock it out of the park once more with Rocketship Rodents, and I hear a rumor that there is an entire issue devoted just to Professor Chronofur coming soon. Looks like Mark Wulfgar is wrapping up the story arc of his current two titles, so we'll be sure to see something completely new and sexy coming from him soon too. Mmmm, big beefy leather guys... makes a bunny all tingly inside. Runtt and El Dimian are back with another beautiful Life in the Co-Op book, keeping with our theory of more bunnies per comic than any other series published by Rabbit Valley so far, or something. (I think I shall have to have a talk with Wulfgar and make sure he adds some bunnies to his comics too....) And let's not forget the amazing Full Color Special! I'd rave about that one too, but I think you'll be doing the cheering as soon as you pick it up. So friends, furries, fluffs, raise a glass to the next 20 issues of Spooo Presents! Viva, Las Vegas.

...So this is where you've been all this time, huh?!

What took you so long?!

Oh shit! It's Steam Beast!

You've got two choices: You run like little bitches or stay and fight me.

I ensure you I won't hold back if you fight me.

We're doomed!

Let's get the hell outta here!

KYAAA!!!

...And don't get involved with people like Deimos ever again!

...Speaking of the devil. Where is he?

He went to Fight Adolph.

What?! But Adolph ...

...Somehow Finished the ritual. They should be engaging combat as we speak...

Meanwhile...

... Deimos!

I see you managed to finish the ritual without The Seer's Seed.

..Very well. I didn't expect this to be that easy.

By the way...

Seth says hi. He told me a lot about you...

Oh, Did he?!

Well, It doesn't matter anymore.

I'll make you eat my cum!

It'll make you my unconditional slave!

Oh... his dick's scent...

Oh no, you better not fall for that cheap trick, Adolph!

Gideon!

So... alluring.

Gideon! You meddling bitch!

Hmm... may I?

MOAN!

Hm... It seems I arrived just in time for the party!

..Great, it's meddling day today or what?!

Garreth!

Suck it!

I'm going to play along For a while...

...And then, when they put their guard down I'm going to put a spell on them...

...My victory over Adolph will be...

No, it won't, Deimos.

...Inevitable.

I can't let you hurt any more wolves, Deimos.

I've brought you to this special dimension where only you and I exist. You can't use your powers to leave here either; so don't waste your energy...

Curse you, Adolph!

Now that I became the new Alpha male, your powers are no match For mine...

...Just relax and enjoy while I fuck you.

For this is how I end your reign of cruelty.

Back in the real world...

Where did they go?... I felt a strong teleportation magick a few seconds ago...

So they just vanished into thin air?

...Do you think Deimos did something to Adolph?!

Huh?

What the-?! ...Seth?!

Seth!? It is you! It's a miracle!

Huh?! I'm back... But, what happened? Why am I not a wolf anymore?!

Hmm, if Seth came back, it means that Deimos' spells are fading...

Does that mean...

At last we found our way back...

We're back!

Adolph!

Ash! Brother!

...B-But how?!...

Look who else has come back...

Hi, guys!

Look what I found in Deimos' Lair...

You're so kind, Beast.

...you!

...I am so glad he didn't eat your soul, little brother.

I'm so glad to see you again, big brother!

Look, about dad...

It's all right, Ash.

I know why you did it.

He was not our real dad, and Deimos' soul was using him to cause conflict between us.

I'm sorry you haven't found dad yet, bro...

It's all right now, bro. I got you now.

Yay! Everything went okay and we're all together again!

Let's have an orgy to celebrate our reunion!

Oh, did I say that out loud?...

Oh well...

What?! NO! I wouldn't do that if my brother was watching...

THE END

THANK YOU, EVERYONE!

There are a few friends that I haven't thanked for helping me with the comic and I wish to thank them or at least mention what they did to help me with the production of the comic:

Tredain - Spelling/Grammar checkup
Rackun, Grisser; Alphachimaera, Kumatt - Tones
Braford - Color of Souls of the past #2-#5 covers.
Voln - Color of Legacy's #1-#5 covers.
Ollis - First concept of Crush-Dave relationship
And, at last, but not least:
Andrew and Sean Rabbitt: Publishing my comic (XD)
And You, the reader; for making this possible!
